**To Whom It May Concern:**

**It is with great pleasure that I am writing to recommend Mary Schoenfeldt as a consultant for Emergency Response/Crisis Response Grant Project. I was assigned 'Project Coordinator' of the grant after eighteen months of the twenty-four month grant. The previous coordinator and consultant retained new positions out of the state. I contacted Mary, and within four days we were having a meeting. She is an exceptionally competent consultant. She has come to know everyone involved in the emergency services in our area. Consequently, she is an excellent resource person for effectively getting the job done. She analyzes situations carefully and recommends effective ways to address the situations.**

**I feel that any district that retains Mary Schoenfeldt as a consultant will benefit from her experience and expertise.**

**Feel free to contact me for any further information.**

**Sincerely,**
